

ENGAGE Session

Building health and safety capability within the NZ Construction Sector by providing Clarity, Consistency, Competency

Thursday 5th Dec 2019 | FREE

8am - 9:30am

New Plymouth Club

Gill St, New Plymouth, New Plymouth

BeSafe Taranaki are proud to host this session with

Construction Health and Safety New Zealand (CHASNZ)

Chris Alderson, CEO

Jon Harper-Slade, GM Skills & Competency

CHASNZ focus is to achieve:

- World class health and safety performance
 - A united and cohesive industry
 - An engaged and empowered workforce
- Health and safety being an integral part of business
 - Strong leadership
 - A focus on 'those at risk'
 - Step change within 5 years

Come along and listen to Chris and Jon discuss the objectives of the Construction Accord; how the sector can improve on safety performance including addressing mental health; and achieve a consistent approach to leading health and safety towards better management practices.

Please register your company name and attendees by email before
30th November 2019
