

Hiya all Simon Oliver here. Part of the awesome Health & Safety team here at McKechnie Aluminium.

As a volunteer FireFighter I am again participating in the Sky Tower Stair Challenge.

This yearly event is a fundraiser for Leukaemia & blood cancer New Zealand.

Please help me make a difference and donate and help me support this great cause.

Any donation amount is greatly appreciated and will go a long way to helping those 6 Kiwis diagnosed every day with a blood cancer or related condition.

Please donate here by clicking the link.

While you're there check out my video of last year.
